Inspection Report of the site inspection carried out on 15/10/2018, starting from Anjuna Dam uptoVithalMandir, Sanquelim.

4. The Respondent No.2 Village PanchayatMorlem, filed their report dated 11/02/2019, along with the annexures. They undertook to further take every measure that will be suggested by any authority or directions given by this Commission. So also the Respondent No.5 filed their report dated 02/07/2019, along with the annexures.

5. The Commission heard Ld. Advocate Shri J. Godinho for the Respondent No.1. Hesubmitted that the Respondent No.1 has taken steps after receiving notice from the Commission.

6. Taking into consideration the replies of the Respondents, the Commission finds that the Respondent No.1 had given directions to the Village Panchayats of Kerim, Poriem and Morlem, for collection and disposal of waste in their jurisdiction.

7. The report dated 11/02/2019 of the Village Panchayat,Morlem indicates that the Village Panchayat has been making efforts in the Village regarding curtailing pollution of the Valvanti river.

8. From the Reply of the respondent No.2 along with the photographs annexed, it is seen that they have displayed the sign board near the Valvanti river prohibiting washing of vehicles in the river and informing about imposition of fine by the Panchayat.

9. So also the Reply of the Respondent No.5 dated 02/07/2019, indicates that the reports were received from the Village Panchayats of Poriem, Kerim and Morlem, who had done site inspection and not found any plastic waster or dry waster near the river bank.

10. There is a letter of the Sarpanch of Village Panchayat, Morlem addressed o the Block Development Officer, Sattari-Goa dated 26/02/2019 stating that, after the Newspaper reports, the site inspection was carried out by the Panchayat and notices were published on all public places, not to dispose any garbage waste/sewage waste in Valvanti river/Nallah. They have also stated

that they have appointed labourers for collecting door to door garbage and are having awareness camps in the Village Panchayat and they also erected Public Notice Board on the river bank.

11. The Commission finds that, after the Newspaper Report dated 22/11/2018 and the notices of the Commission dated 23/11/2018, the Respondents had taken steps for controlling the dumping of garbage in the Valvant river/Nallah.

12. The Commission recommends as under :

The Village Panchayats of Morlem, Keri and Poriem shall inspect every six months, the site of the River Valvanti and see that the garbage dumped or accumulated is removed/collected from time to time and shall take all the measures to curtail pollution of the River Valvanti and its tributaries, springs and nallahs, and to prevent any encroachments therein.

Accordingly, the Proceedings stand disposed of.
